PLAQUE PLACEMENT REQUEST (FOR ASHES PLOTS)

I _____, residing at, _____

request permission to insert a plaque on the resting place of _____

in Cloverly Woods of Rest.

I understand that the plaque design and materials used in its construction will require to be authorised by the proprietors of Cloverly Woods of Rest prior to any instruction to manufacture or purchase being made. The plaque must be made of wood from a renewable source, only wooden plaques will be permitted within Cloverly Woods.

The plaque must not exceed 300 x 300 x 75 mm. The optimum depth of the plaque is 75 mm to ensure stability in the ground and minimise the risk of damage by machinery.

The place and installation of a plaque will require to be confirmed in writing from the said proprietors. **The plaque may only be installed by Cloverly Woods staff. The cost of installation is £40.00 and will be met by the client. This is payable on delivery of the plaque to cloverly prior to installation.**

Authorisation for the final design and engravings may be confirmed by email to cloverlywoods@btconnect.com.

The maintenance and cleaning of the said plaque will be the sole responsibility of the donor.

Cloverly Woods of Rest accepts no responsibility for any damage to the plaque or fixings however occasioned.

I,(signature) _____ agree to all the foregoing conditions.
